

Information for parents or guardians who wish to bring children to the Rickmansworth Water Ski Club (RWSC)

RWSC is affiliated to the British Water Ski & Wakeboard (BWSW). As an affiliated member, RWSC has agreed to comply with the requirements of the BWSW "Ski Safe" procedures for children.

All RWSC boat drivers have reached or exceeded BWSW requirements and RWSC boat drivers are aware of the requirements of the BWSW with regards to children who participate in waterskiing.

Before any child under 18 participates in any water skiing activity a parent of the child or the child's guardian must sign a disclaimer form.

No child under 14 may attend the club without a parent, guardian or responsible adult (18 years or over) being present at the club with the child.

Children above the age of 7 years must use the gender appropriate changing room.

Any parent wishing to obtain more information regarding children skiing at RWSC can discuss the matter with any of the RWSC boat drivers.

Information about RWSC is available on the club website: - www.rwsc.co.uk

Information about BWSW is available on the federation website: - www.britishwaterski.org.uk
